MEMO ENDORSED

Re: United States v. Jamil Banks, 20 CR 284 (SHS)

Dear Judge Stein,

The Government writes on behalf of the parties to request respectfully an extension of the current schedule for pretrial submissions pending resolution of the defendant's motion to suppress. The parties anticipate that the resolution of that motion will substantially shape their submissions and may separately result in a prompt pretrial resolution of the case. For that reason, the parties jointly request that the date by which the parties must submit their requests to charge, proposed voir dire, and any *in limine* motions be extended from June 8, 2021 to June 18, 2021 and any responses thereto from June 15, 2021 to June 21, 2021, which the parties appreciate may require a parallel adjournment of the pretrial conference on June 22, 2021 to a date and time of convenience to the Court in advance of the trial scheduled to begin on July 12, 2021.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney
